Dear Examiner Kunemund:

We have recently received a Notice of Abandonment contending that Applicant failed to respond to a communication on September 29, 2004.

Please be advised, however, that we were informed in writing by the USPTO on October 6, 2004 that the communication of September 29, 2004 had been sent in error (copy attached). We would accordingly request that the application be placed back on active status and that our responding amendment of September 1, 2004 be reviewed and acted upon since it is believed that it places the case in condition for allowance.
